In case of group certificate the sites covered by this certificate and their individual scopes can be found on the MSC website.

More information about the licensee and/or products and/or units can be obtained at the website of Control Union Peru (certifications.controlunion.com) or by contacting Control Union Peru.

This certificate recommends the eligibility of the certificate holder to use the MSC ecolabel after obtaining and comply with an ecolabel license agreement with MSC. Use of the MSC logo on (trade) products is only allowed for products mentioned under "products" in the annexes of this certificate. In case of products under-MSC-assessment the MSC ecolabel should be used after the fishery where these products comes from is officially certified in the MSC database and these products were captured at or after the eligibility date stated in the MSC website.

The products included in the scope of this certificate can be traded as MSC certified products after the information of this certificate is updated in the MSC website.

This certificate including the annex remains property of Control Union Peru and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform Control Union Peru immediately of any changes in the above mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to Control Union Peru immediately on request.

Valid from: 17-July-2020
